On July 28, 2025, Mr. Yair Erez resigned as an independent director of the Board (the “Board”) of Virax Biolabs Group Limited (the “Company”), to focus on other professional endeavors, effective immediately. The resignation was not the result of any disagreement with the Company regarding its operations, policies, or practices.

On July 28, 2025, the Board appointed Dr. Iain Miller to fill in the vacancy on the Board, resulting from Mr. Erez’s resignation, effective immediately. The Board also appointed Dr. Miller to serve on each of the Compensation Committee, Nominating and Corporate Governance Committee, and Audit Committee of the Board.

Dr. Miller has over 30 years of diverse executive-level experience, with a focus on in-vitro diagnostic and precision medicine sectors, including development of AI-powered clinical decision support solutions and companion diagnostic products. Dr. Miller currently serves as a non-executive board director of Pictura Bio, which he joined in 2022.
