Information Contained in this Form 6-K Report

On July 9, 2026, Virax Biolabs Group Limited (the “Company”), entered into an inducement offer letter agreement (the “Inducement Letter”) with a certain holder (the “Holder”) of (i) warrants to purchase an aggregate of 48,000 ordinary shares par value \$0.025 per share (“Ordinary Shares”), issued to the Holder on October 16, 2023, as amended on December 4, 2025, with an exercise price of \$10.00 per share and termination date of December 30, 2030, and (ii) preferred investment options to purchase an aggregate of 500,000 Ordinary Shares, issued to the Holder on December 4, 2025, with an exercise price of \$10.00 per share and termination date of December 30, 2030 (collectively, the “Existing Warrants”).

Pursuant to the Inducement Letter, the Holder agreed to exercise for cash its Existing Warrants to purchase an aggregate of 548,000 Ordinary Shares of the Company at a reduced exercise price of \$6.00 per share in consideration for the Company’s agreement to issue new unregistered Series A Ordinary Share Preferred Investment Options (the “Series A Preferred Investment Option”) to purchase up to an aggregate of 548,000 Ordinary Shares and new short-term unregistered Series B Ordinary Share Preferred Investment Options (the “Series B Preferred Investment Option,” together with the Series A Preferred Investment Option, the “New Warrants”) to purchase up to an aggregate of 1,096,000 Ordinary Shares (“New Warrant Shares”). The Company received aggregate gross proceeds of approximately \$3.3 million from the exercise of the Existing Warrants by the Holder, before deducting placement agent fees and other offering expenses payable by the Company.

The New Warrants have an exercise price of \$6.00 per Ordinary Share. The Series A Preferred Investment Options are exercisable on or after the date of the approval by the shareholders of the Company of the increase in authorized

Ordinary Shares of the Company (the “Authorized Share Increase”) and expire five years following the later of the effective date of the resale registration statement registering the Ordinary Shares issuable upon exercise of the New Warrants (the “Effective Date”) and the Authorized Share Increase, and the short-term Series B Preferred Investment Options are exercisable on or after the date of the Authorized Share Increase and expire eighteen months following the later of the Effective Date and the Authorized Share Increase. The Company has agreed to hold a special meeting of its shareholders within 90 days of the Inducement Letter to seek approval of the Authorized Share Increase in order to ensure that the Company has sufficient authorized share capital to reserve for issuance, and to issue upon exercise, the New Warrant Shares and the Placement Agent Warrant Shares (defined below), in each case in accordance with their respective terms.

The Company engaged H.C. Wainwright & Co., LLC (the “Placement Agent”) to act as its exclusive placement agent in connection with the transactions summarized above and has agreed to pay the Placement Agent a cash fee equal to 7.0% of the gross proceeds received from the Holder’s exercise of their Existing Warrants and a management fee of 1.0% of the gross proceeds received from the Holder’s exercise of their Existing Warrants, pursuant to that certain engagement letter by and between the Company and the Placement Agent, dated as of December 3, 2025, as amended on June 4, 2026 (the “Engagement Letter”).

Pursuant to the Engagement Letter, the Company has also agreed to pay the Placement Agent non-accountable expenses in the amount of \$35,000 and accountable expenses in the amount of \$50,000. The Company also issued to the Placement Agent or its designees preferred investment options (“Placement Agent Warrant”) to purchase up to 38,360 Ordinary Shares (“Placement Agent Warrant Shares”) at an exercise price of \$7.50 per Ordinary Share, which are exercisable on or after the date of the Authorized Share Increase and will expire five years following the later of the Effective Date and the date of the Authorized Share Increase.

The closing of the transactions contemplated pursuant to the Inducement Letter occurred on July 10, 2026 (the “Closing Date”), subject to satisfaction of customary closing conditions. The Inducement Letter contains customary representations, warranties and covenants by the Company which were made only for the purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement and may be subject to limitations agreed upon by the contracting parties.

The resale of the shares of the Company’s Ordinary Shares upon exercise of the Existing Warrants are registered pursuant to the Company’s registration statements on Form F-3 (File No. 333-275893 and 333-292241).

The Company also agreed to file a registration statement on Form F-3 (or other appropriate form if the Company is not then Form F-3 eligible) covering the resale of the New Warrant Shares issued or issuable upon the exercise of the New Warrants (the “Resale Registration Statement”) within fifteen (15) calendar days from the date of the Inducement Letter and to have such Resale Registration Statement declared effective by the SEC within forty-five (45) calendar days (or, in the event of a “full review” within ninety (90) calendar days) following the date of the Inducement Letter. In the Inducement Letter, the Company agreed not to issue any Ordinary Shares or ordinary share equivalents or to file any other registration statement with the SEC (in each case, subject to certain exceptions) until thirty (30) days after the Effective Date. The Company also agreed not to effect or agree to effect any variable rate transaction (as defined in the Inducement Letter) until one (1) year after the Effective Date (subject to certain exceptions).

Terms of New Warrants and Placement Agent Warrant

The following summary of certain terms and provisions of the New Warrants and the Placement Agent Warrant is not complete and is subject to, and qualified in its entirety by, the provisions of the Series A Preferred Investment Option, the Series B Preferred Investment Option and the Placement Agent Preferred Investment Option, the forms of which are filed as Exhibits 4.1, 4.2 and 4.3, respectively, to this Report on Form 6-K and are incorporated herein by reference.

The following description of the New Warrants and the Placement Agent Warrant is qualified in its entirety by reference to such exhibits.

Duration and Exercise Price

Each New Warrant has an exercise price equal to \$6.00 per Ordinary Share, subject to adjustment as provided in the applicable New Warrant. The Series A Preferred Investment Option will be exercisable beginning on the Authorized Share Increase Date and will expire at 5:00 p.m., New York City time, on the five-year anniversary of the later of (i) the Effective Date and (ii) the Authorized Share Increase Date. The Series B Preferred Investment Option will be exercisable beginning on the Authorized Share Increase Date and will expire at 5:00 p.m., New York City time, on the eighteen-month anniversary of the later of (i) the Effective Date and (ii) the Authorized Share Increase Date. The Placement Agent Warrant will be exercisable beginning on the Authorized Share Increase Date and will expire at 5:00 p.m., New York City time, on the five-year anniversary of the later of (i) the Effective Date and (ii) the Authorized Share Increase Date. The exercise price and the number of Ordinary Shares issuable upon exercise of the New Warrants and the Placement Agent Warrant are subject to appropriate adjustment in the event of share dividends, share splits, combinations, reclassifications and similar events affecting the Company's Ordinary Shares.

Exercisability

Each New Warrant and the Placement Agent Warrant will be exercisable, at the option of the holder, in whole or in part, by delivering to the Company a duly executed notice of exercise and paying the aggregate exercise price for the Ordinary Shares purchased upon such exercise, unless the holder elects to exercise the applicable warrant pursuant to the cashless exercise provisions described below.

A holder may not exercise any portion of a New Warrant or the Placement Agent Warrant to the extent that, after giving effect to such exercise, the holder, together with its affiliates and any other persons acting as a group with the holder or any of its affiliates, would beneficially own more than the applicable beneficial ownership limitation set forth in the relevant warrant. The beneficial ownership limitation for the New Warrants is 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of the Ordinary Shares issuable upon exercise. The beneficial ownership limitation for the Placement Agent Warrant will be 4.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of the Ordinary Shares issuable upon exercise, as specified in the Placement Agent Warrant. A holder may, upon notice to the Company, increase or decrease the beneficial ownership limitation applicable to such holder, provided that the beneficial ownership limitation may not exceed 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the exercise. Any increase in the beneficial ownership limitation will not become effective until the 61st day after notice is delivered to the Company.

Cashless Exercise

If, at the time a holder exercises a New Warrant or the Placement Agent Warrant, there is no effective registration statement registering, or the prospectus contained therein is not available for, the resale of the Ordinary Shares issuable upon exercise of the applicable warrant by the holder, then the holder may exercise such warrant, in whole or in part, by means of a cashless exercise. In that event, the holder will be entitled to receive the net number of Ordinary Shares determined according to the formula set forth in the applicable warrant. The New Warrants and the Placement Agent Warrant provide that, in connection with a cashless exercise, the Ordinary Shares issued upon such exercise shall take on the characteristics of the applicable warrant being exercised, and the holding period of such Ordinary Shares may be tacked to the holding period of the applicable warrant.

Trading Market

There is no established trading market for the New Warrants or the Placement Agent Warrant, and the Company does not expect an active trading market to develop. The Company does not intend to apply to list the New Warrants or the Placement Agent Warrant on any securities exchange or other trading market. Without a trading market, the liquidity of the New Warrants and the Placement Agent Warrant will be extremely limited.

Rights as a Shareholder

Except as otherwise provided in the New Warrants or the Placement Agent Warrant, or by virtue of such holder's ownership of Ordinary Shares, the holder of a New Warrant or the Placement Agent Warrant does not have the rights or privileges of a holder of Ordinary Shares, including any voting rights, until the holder exercises the applicable warrant.

Fundamental Transactions

If, at any time while a New Warrant or the Placement Agent Warrant is outstanding, the Company effects a Fundamental Transaction, as defined in the applicable warrant, then upon any subsequent exercise of such warrant, the holder will have the right to receive, for each Ordinary Share that would have been issuable upon such exercise immediately prior to the Fundamental Transaction, the number of common or ordinary shares of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration receivable as a result of such Fundamental Transaction by a holder of the number of Ordinary Shares for which the applicable warrant is exercisable immediately prior to such Fundamental Transaction.

In addition, in the event of a Fundamental Transaction, the Company or any successor entity shall, at the holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction, or, if later, the date of the public announcement of the applicable contemplated Fundamental Transaction, purchase the unexercised portion of the applicable warrant from the holder by paying to the holder an amount equal to the Black Scholes Value, as defined in the applicable warrant, of the remaining unexercised portion of such warrant on the date of consummation of the Fundamental Transaction.

Waivers and Amendments

Other than the beneficial ownership limitation provision and the amendment provision, each of which may not be modified, amended or waived, each New Warrant and the Placement Agent Warrant may be modified or amended, or the provisions thereof waived, with the written consent of the Company and the holder of the applicable warrant.

The forms of the Inducement Letter, Series A Preferred Investment Option, Series B Preferred Investment Option and Placement Agent Warrant are attached as Exhibits 10.1, 4.1, 4.2 and 4.3, respectively. The description of the terms of the Inducement Letter, the New Warrants and the Placement Agent Warrant is not intended to be complete and is qualified in its entirety by reference to such exhibits.

The Company issued the New Warrants pursuant to the exemption from the registration requirements of the Securities Act of 1933, as amended, available under Section 4(a)(2). The Company issued the Placement Agent Warrant pursuant to the exemption from the registration requirements of the Securities Act available under Section 4(a)(2) in connection with the Engagement Letter. Neither the issuance of the New Warrants, the Placement Agent Warrant, the New Warrant Shares nor the Placement Agent Warrant Shares has been registered under the Securities Act, and such securities may not be offered or sold in the United States absent registration or an exemption from registration under the Securities Act and any applicable state securities laws.

Neither this Current Report on Form 6-K nor any exhibit attached hereto is an offer to sell or the solicitation of an offer to buy securities of the Company.

Other Events.

The Company issued press releases on July 9, 2026, and July 10, 2026, relating to the Offering, which are attached as Exhibits 99.1 and 99.2 are incorporated by reference herein.

No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Preferred Investment Option to the Company until the Holder has purchased all of the Preferred Investment Option Shares available hereunder and the Preferred Investment Option has been exercised in full, in which case, the Holder shall surrender this Preferred Investment Option to the Company for cancellation as soon as reasonably practicable of the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Preferred Investment Option resulting in purchases of a portion of the total number of Preferred Investment Option Shares available hereunder shall have the effect of lowering the outstanding number of Preferred Investment Option Shares purchasable hereunder in an amount equal to the applicable number of Preferred Investment Option Shares purchased. The Holder and the Company shall maintain records showing the number of Preferred Investment Option Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Trading Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Preferred Investment Option , acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Preferred Investment Option Shares hereunder, the number of Preferred Investment Option Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b)Exercise Price. The exercise price per Ordinary Share under this Preferred Investment Option shall be **\$6.00**, subject to adjustment hereunder (the “Exercise Price”).

c)Cashless Exercise. If at the time of exercise hereof there is no effective registration statement registering, or the prospectus contained therein is not available for the resale of the Preferred Investment Option Shares by the Holder, then this Preferred Investment Option may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Preferred Investment Option Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of “regular trading hours” (as defined in Rule 600(b) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Ordinary Shares on the principal Trading Market as reported by Bloomberg L.P. (“Bloomberg”) as of the time of the Holder’s execution of the applicable Notice of Exercise if such Notice of Exercise is executed during “regular trading hours” on a Trading Day and is delivered within two (2) hours thereafter (including until two (2) hours after the close of “regular trading hours” on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of “regular trading hours” on such Trading Day;

(B) = the Exercise Price of this Preferred Investment Option, as adjusted hereunder; and

(X) = the number of Preferred Investment Option Shares that would be issuable upon exercise of this Preferred Investment Option in accordance with the terms of this Preferred Investment Option if such exercise were by means of a cash exercise rather than a cashless exercise.

“Bid Price” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Ordinary Shares are then listed or quoted on a Trading Market, the bid price of the Ordinary Shares for the time in question (or the nearest preceding date) on the Trading Market on which the Ordinary Shares are then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTCQB Venture Market (the “OTCQB”) or the OTCQX Best Market (the “OTCQX”) is not a Trading Market, the volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Ordinary Shares are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Ordinary Shares are then reported on The Pink Open Market operated by the OTC Markets (the

“Pink Market”) (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per Ordinary Share so reported, or (d) in all other cases, the fair market value of an Ordinary Share as determined by an independent appraiser selected in good faith by the Holder and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Ordinary Shares are then listed or quoted on a Trading Market, the daily volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on the Trading Market on which the Ordinary Shares are then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTCQB or the OTCQX is not a Trading Market, the volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Ordinary Shares are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Ordinary Shares are then reported on the Pink Market, the most recent bid price per Ordinary Share so reported, or (d) in all other cases, the fair market value of an Ordinary Share as determined by an independent appraiser selected in good faith by the Holders of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

If Preferred Investment Option Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Preferred Investment Option Shares shall take on the characteristics of the Preferred Investment Options being exercised, and the holding period of the Preferred Investment Option Shares being issued may be tacked on to the holding period of this Preferred Investment Option. The Company agrees not to take any position contrary to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Preferred Investment Option Shares Upon Exercise. The Company shall cause the Preferred Investment Option Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Preferred Investment Option Shares to or resale of the Preferred Investment Option Shares by the Holder or (B) the Preferred Investment Option Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144 (assuming cashless exercise of the Preferred Investment Options), and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Preferred Investment Option Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by

the date that is the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period, in each case after the delivery to the Company of the Notice of Exercise (such date, the “Preferred Investment Option Share Delivery Date”). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Preferred Investment Option Shares with respect to which this Preferred Investment Option has been exercised, irrespective of the date of delivery of the Preferred Investment Option Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received by the Preferred Investment Option Share Delivery Date. If the Company fails for any reason to deliver to the Holder the Preferred Investment Option Shares subject to a Notice of Exercise by the Preferred Investment Option Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Preferred Investment Option Shares subject to such exercise (based on the VWAP of the Ordinary Shares on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third Trading Day after the Preferred Investment Option Share Delivery Date) for each Trading Day after such Preferred Investment Option Share Delivery Date until such Preferred Investment Option Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Preferred Investment Option remains outstanding and exercisable. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Ordinary Shares as in effect on the date of delivery of the Notice of Exercise.

ii. Delivery of New Preferred Investment Options Upon Exercise. If this Preferred Investment Option shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Preferred Investment Option certificate, at the time of delivery of the Preferred Investment Option Shares, deliver to the Holder a new Preferred Investment Option evidencing the rights of the Holder to purchase the unpurchased Preferred Investment Option Shares called for by this Preferred Investment Option, which new Preferred Investment Option shall in all other respects be identical with this Preferred Investment Option.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Preferred Investment Option Shares pursuant to Section 2(d)(i) by the Preferred Investment Option Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv. Compensation for Buy-In on Failure to Timely Deliver Preferred Investment Option Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer

Agent to transmit to the Holder the Preferred Investment Option Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Preferred Investment Option Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, Ordinary Shares to deliver in satisfaction of a sale by the Holder of the Preferred Investment Option Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the Ordinary Shares so purchased exceeds (y) the amount obtained by multiplying (1) the number of Preferred Investment Option Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Preferred Investment Option and equivalent number of Preferred Investment Option Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of Ordinary Shares that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Ordinary Shares having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Ordinary Shares with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Ordinary Shares upon exercise of the Preferred Investment Option as required pursuant to the terms hereof.

v.No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Preferred Investment Option. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi.Charges, Taxes and Expenses. Issuance of Preferred Investment Option Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Preferred Investment Option Shares, all of which taxes and expenses shall be paid by the Company, and such Preferred Investment

Option Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Preferred Investment Option Shares are to be issued in a name other than the name of the Holder, this Preferred Investment Option when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Preferred Investment Option Shares.

vii. Closing of Books. The Company will not close its register or records in any manner which prevents the timely exercise of this Preferred Investment Option, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Preferred Investment Option, and a Holder shall not have the right to exercise any portion of this Preferred Investment Option, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Ordinary Shares beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Ordinary Shares issuable upon exercise of this Preferred Investment Option with respect to which such determination is being made, but shall exclude the number of Ordinary Shares which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Preferred Investment Option beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Ordinary Share Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Preferred Investment Option is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Preferred Investment Option is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Preferred Investment Option is exercisable (in relation to other securities owned by the Holder

together with any Affiliates and Attribution Parties) and of which portion of this Preferred Investment Option is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of Ordinary Shares outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of Ordinary Shares then outstanding. In any case, the number of outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Preferred Investment Option, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Ordinary Shares was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares issuable upon exercise of this Preferred Investment Option. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares upon exercise of this Preferred Investment Option held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Preferred Investment Option.

Section 3. Certain Adjustments.

a)Share Dividends and Splits. If the Company, at any time while this Preferred Investment Option is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on its Ordinary Shares or any other equity or equity equivalent securities payable in Ordinary Shares (which, for avoidance of doubt, shall not include any Ordinary Shares issued by the Company upon exercise of this Preferred Investment Option), (ii) subdivides outstanding Ordinary Shares into a larger number of shares, (iii) combines (including by way of share consolidation) outstanding Ordinary Shares into a smaller number of shares, or (iv) issues by reclassification of Ordinary Shares, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of Ordinary Shares (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Ordinary Shares outstanding immediately after such event, and the number of shares issuable upon exercise

of this Preferred Investment Option shall be proportionately adjusted such that the aggregate Exercise Price of this Preferred Investment Option shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b)Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time the Company grants, issues or sells any Ordinary Share Equivalents or rights to purchase shares, warrants, securities or other property pro rata to the record holders of any class of Ordinary Shares (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of Ordinary Shares acquirable upon complete exercise of this Preferred Investment Option (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Ordinary Shares are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, that to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such Ordinary Shares as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c)Pro Rata Distributions. During such time as this Preferred Investment Option is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of Ordinary Shares, by way of return of capital or otherwise (including, without limitation, any distribution of cash, shares or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Preferred Investment Option, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of Ordinary Shares acquirable upon complete exercise of this Preferred Investment Option (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of Ordinary Shares are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any Ordinary Shares as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d)Fundamental Transaction. If, at any time while this Preferred Investment Option is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company (or any Subsidiary), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Ordinary Shares are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Ordinary Shares or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Ordinary Shares or any compulsory share exchange pursuant to which the Ordinary Shares are effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a share or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding Ordinary Shares or 50% or more of the voting power of the common equity of the Company (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Preferred Investment Option, the Holder shall have the right to receive, for each Preferred Investment Option Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Preferred Investment Option), the number of common or ordinary shares of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of Ordinary Shares for which this Preferred Investment Option is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Preferred Investment Option). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Ordinary Share in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Ordinary Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Preferred Investment Option following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable contemplated Fundamental Transaction), purchase this Preferred Investment Option from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining

unexercised portion of this Preferred Investment Option on the date of the consummation of such Fundamental Transaction; provided, however, that if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, Holder shall only be entitled to receive from the Company or any Successor Entity the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Preferred Investment Option, that is being offered and paid to the holders of Ordinary Shares of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, shares or any combination thereof, or whether the holders of Ordinary Shares are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that if holders of Ordinary Shares of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Ordinary Shares will be deemed to have received common shares of the Successor Entity (which Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Preferred Investment Option based on the Black Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the public announcement of the applicable contemplated Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the greater of (i) the sum of the price per share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (ii) the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the Holder's request pursuant to this Section 3(d) and (D) a remaining option time equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date and (E) a zero cost of borrow. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds (or such other consideration) within the later of (i) five Business Days of the Holder's election and (ii) the date of consummation of the Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Preferred Investment Option and the Letter Agreement in accordance with the provisions of this Section 3(d) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Preferred Investment Option a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Preferred Investment Option which is exercisable for a corresponding number of shares of such Successor Entity (or its parent entity) equivalent to the Ordinary

Shares acquirable and receivable upon exercise of this Preferred Investment Option (without regard to any limitations on the exercise of this Preferred Investment Option) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such share capital (but taking into account the relative value of the Ordinary Shares pursuant to such Fundamental Transaction and the value of such share capital, such number of shares of share capital and such exercise price being for the purpose of protecting the economic value of this Preferred Investment Option immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall be added to the term "Company" under this Preferred Investment Option (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Preferred Investment Option and the Letter Agreement referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally with the Company, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under this Preferred Investment Option and the Letter Agreement with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein.

e)Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of Ordinary Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Ordinary Shares (excluding treasury shares, if any) issued and outstanding.

f)Notice to Holder.

i.Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Preferred Investment Option Shares and setting forth a brief statement of the facts requiring such adjustment.

ii.Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Ordinary Shares, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Ordinary Shares, (C) the Company shall authorize the granting to all holders of the Ordinary Shares rights or warrants to subscribe for or purchase any share capital of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Ordinary Shares, any consolidation or merger to which the Company (or any of its Subsidiaries) is a party, any sale or transfer of all or substantially all of its assets, or any compulsory share exchange whereby the Ordinary Shares are converted into

other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Preferred Investment Option Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Ordinary Shares of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Ordinary Shares of record shall be entitled to exchange their Ordinary Shares for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Preferred Investment Option constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Report on Form 6-K. The Holder shall remain entitled to exercise this Preferred Investment Option during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Preferred Investment Option.

a)Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof, this Preferred Investment Option and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Preferred Investment Option at the principal office of the Company or its designated agent, together with a written assignment of this Preferred Investment Option substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Preferred Investment Option or Preferred Investment Options in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Preferred Investment Option evidencing the portion of this Preferred Investment Option not so assigned, and this Preferred Investment Option shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Preferred Investment Option to the Company unless the Holder has assigned this Preferred Investment Option in full, in which case, the Holder shall surrender this Preferred Investment Option to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company

assigning this Preferred Investment Option in full. The Preferred Investment Option, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Preferred Investment Option Shares without having a new Preferred Investment Option issued.

b)New Preferred Investment Options. This Preferred Investment Option may be divided or combined with other Preferred Investment Options upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Preferred Investment Options are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Preferred Investment Option or Preferred Investment Options in exchange for the Preferred Investment Option or Preferred Investment Options to be divided or combined in accordance with such notice. All Preferred Investment Options issued on transfers or exchanges shall be dated the Issue Date of this Preferred Investment Option and shall be identical with this Preferred Investment Option except as to the number of Preferred Investment Option Shares issuable pursuant thereto.

c)Preferred Investment Option Register. The Company shall register this Preferred Investment Option, upon records to be maintained by the Company for that purpose (the "Preferred Investment Option Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Preferred Investment Option as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d)Transfer Restrictions. If at the time of the surrender of this Preferred Investment Option in connection with any transfer of this Preferred Investment Option, the transfer of this Preferred Investment Option shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Preferred Investment Option, as the case may be, provide to the Company an opinion of counsel, the form and substance of which opinion shall be reasonably satisfactory to the Company to the effect that the transfer of this Preferred Investment Option does not require registration under the Securities Act.

e)Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Preferred Investment Option and, upon any exercise hereof, will acquire the Preferred Investment Option Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Preferred Investment Option Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a)No Rights as Shareholder Until Exercise; No Settlement in Cash. This Preferred Investment Option does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive Preferred Investment Option Shares on a “cashless exercise” pursuant to Section 2(c) or to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Preferred Investment Option.

b)Loss, Theft, Destruction or Mutilation of Preferred Investment Option. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Preferred Investment Option or any share certificate relating to the Preferred Investment Option Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Preferred Investment Option, shall not include the posting of any bond), and upon surrender and cancellation of such Preferred Investment Option or share certificate, if mutilated, the Company will make and deliver a new Preferred Investment Option or share certificate of like tenor and dated as of such cancellation, in lieu of such Preferred Investment Option or share certificate.

c)Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d)Authorized Shares.

The Company covenants that, after the Authorized Share Increase Date and during the period the Preferred Investment Option is outstanding, it will reserve from its authorized and unissued Ordinary Shares a sufficient number of shares to provide for the issuance of the Preferred Investment Option Shares upon the exercise of any purchase rights under this Preferred Investment Option. The Company further covenants that its issuance of this Preferred Investment Option shall constitute full authority to its officers who are charged with the duty of issuing the necessary Preferred Investment Option Shares upon the exercise of the purchase rights under this Preferred Investment Option. The Company will take all such reasonable action as may be necessary to assure that such Preferred Investment Option Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Ordinary Shares may be listed. The Company covenants that all Preferred Investment Option Shares which may be issued upon the exercise of the purchase rights represented by this Preferred Investment Option will, upon exercise of the purchase rights represented by this Preferred Investment Option and payment for such Preferred Investment Option Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Preferred Investment Option, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Preferred Investment Option against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Preferred Investment Option Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Preferred Investment Option Shares upon the exercise of this Preferred Investment Option and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Preferred Investment Option.

Before taking any action which would result in an adjustment in the number of Preferred Investment Option Shares for which this Preferred Investment Option is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e)Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Preferred Investment Option shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Preferred Investment Option (whether brought against a party hereto or their respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Preferred Investment Option and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If either party shall commence an action, suit or proceeding to enforce any provisions of this

Preferred Investment Option, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for their reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f)Restrictions. The Holder acknowledges that the Preferred Investment Option Shares acquired upon the exercise of this Preferred Investment Option, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g)Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Preferred Investment Option, if the Company willfully and knowingly fails to comply with any provision of this Preferred Investment Option, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h)Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by e-mail, or sent by a nationally recognized overnight courier service, addressed to the Company, at 20 North Audley Street, London W1K 6LX, United Kingdom Attention: Chief Executive Officer, email address: jf@viraxbiolabs.com, or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by e-mail, or sent by a nationally recognized overnight courier service addressed to each Holder at the e-mail address or address of such Holder appearing on the books of the Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via e-mail at the e-mail address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via e-mail at the e-mail address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

i)Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Preferred Investment Option to purchase Preferred Investment Option Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Ordinary Shares or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j)Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Preferred Investment Option. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Preferred Investment Option and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k)Successors and Assigns. Subject to applicable securities laws, this Preferred Investment Option and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Preferred Investment Option are intended to be for the benefit of any Holder from time to time of this Preferred Investment Option and shall be enforceable by the Holder or holder of Preferred Investment Option Shares.

l)Amendment. Other than Section 2(e) and this Section 5(l), which may not be modified, amended or waived, this Preferred Investment Option may be modified or amended or the provisions hereof waived with the written consent of the Company, on the one hand, and the Holder of this Preferred Investment Option, on the other hand.

m)Severability. Wherever possible, each provision of this Preferred Investment Option shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Preferred Investment Option shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Preferred Investment Option.

n)Headings. The headings used in this Preferred Investment Option are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Preferred Investment Option.

Section 2. Exercise.

a)Exercise of Preferred Investment Option. Exercise of the purchase rights represented by this Preferred Investment Option may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). Within the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the Preferred Investment Option Shares specified in the applicable Notice of Exercise by wire transfer or cashier’s check drawn on a United States bank unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Preferred Investment Option to the Company until the Holder has purchased all of the Preferred Investment Option Shares available hereunder and the Preferred Investment Option has been exercised in full, in which case, the Holder shall surrender this Preferred Investment Option to the Company for cancellation as soon as reasonably practicable of the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Preferred Investment Option resulting in purchases of a portion of the total number of Preferred Investment Option Shares available hereunder shall have the effect of lowering the outstanding number of Preferred Investment Option Shares purchasable hereunder in an amount equal to the applicable number of Preferred Investment Option Shares purchased. The Holder and the Company shall maintain records showing the number of Preferred Investment Option Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Trading Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Preferred Investment Option , acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Preferred Investment Option Shares hereunder, the number of Preferred Investment Option Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b)Exercise Price. The exercise price per Ordinary Share under this Preferred Investment Option shall be **\$6.00**, subject to adjustment hereunder (the “Exercise Price”).

c)Cashless Exercise. If at the time of exercise hereof there is no effective registration statement registering, or the prospectus contained therein is not available for the resale of the Preferred Investment Option Shares by the Holder, then this Preferred Investment Option may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Preferred Investment Option Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of “regular trading hours” (as defined in Rule 600(b) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Ordinary Shares on the principal Trading Market as reported by Bloomberg L.P. (“Bloomberg”) as of the time of the Holder’s execution of the applicable Notice of Exercise if such Notice of Exercise is executed during “regular trading hours” on a Trading Day and is delivered within two (2) hours thereafter (including until two (2) hours after the close of “regular trading hours” on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of “regular trading hours” on such Trading Day;

(B) = the Exercise Price of this Preferred Investment Option, as adjusted hereunder; and

(X) = the number of Preferred Investment Option Shares that would be issuable upon exercise of this Preferred Investment Option in accordance with the terms of this Preferred Investment Option if such exercise were by means of a cash exercise rather than a cashless exercise.

“Bid Price” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Ordinary Shares are then listed or quoted on a Trading Market, the bid price of the Ordinary Shares for the time in question (or the nearest preceding date) on the Trading Market on which the Ordinary Shares are then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTCQB Venture Market (the “OTCQB”) or the OTCQX Best Market (the “OTCQX”) is not a Trading Market, the volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Ordinary Shares are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Ordinary Shares are then reported on The Pink Open Market operated by the OTC Markets (the

“Pink Market”) (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per Ordinary Share so reported, or (d) in all other cases, the fair market value of an Ordinary Share as determined by an independent appraiser selected in good faith by the Holder and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Ordinary Shares are then listed or quoted on a Trading Market, the daily volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on the Trading Market on which the Ordinary Shares are then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTCQB or the OTCQX is not a Trading Market, the volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Ordinary Shares are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Ordinary Shares are then reported on the Pink Market, the most recent bid price per Ordinary Share so reported, or (d) in all other cases, the fair market value of an Ordinary Share as determined by an independent appraiser selected in good faith by the Holders of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

If Preferred Investment Option Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Preferred Investment Option Shares shall take on the characteristics of the Preferred Investment Options being exercised, and the holding period of the Preferred Investment Option Shares being issued may be tacked on to the holding period of this Preferred Investment Option. The Company agrees not to take any position contrary to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Preferred Investment Option Shares Upon Exercise. The Company shall cause the Preferred Investment Option Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Preferred Investment Option Shares to or resale of the Preferred Investment Option Shares by the Holder or (B) the Preferred Investment Option Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144 (assuming cashless exercise of the Preferred Investment Options), and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Preferred Investment Option Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by

the date that is the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period, in each case after the delivery to the Company of the Notice of Exercise (such date, the “Preferred Investment Option Share Delivery Date”). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Preferred Investment Option Shares with respect to which this Preferred Investment Option has been exercised, irrespective of the date of delivery of the Preferred Investment Option Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received by the Preferred Investment Option Share Delivery Date. If the Company fails for any reason to deliver to the Holder the Preferred Investment Option Shares subject to a Notice of Exercise by the Preferred Investment Option Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Preferred Investment Option Shares subject to such exercise (based on the VWAP of the Ordinary Shares on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third Trading Day after the Preferred Investment Option Share Delivery Date) for each Trading Day after such Preferred Investment Option Share Delivery Date until such Preferred Investment Option Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Preferred Investment Option remains outstanding and exercisable. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Ordinary Shares as in effect on the date of delivery of the Notice of Exercise.

ii. Delivery of New Preferred Investment Options Upon Exercise. If this Preferred Investment Option shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Preferred Investment Option certificate, at the time of delivery of the Preferred Investment Option Shares, deliver to the Holder a new Preferred Investment Option evidencing the rights of the Holder to purchase the unpurchased Preferred Investment Option Shares called for by this Preferred Investment Option, which new Preferred Investment Option shall in all other respects be identical with this Preferred Investment Option.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Preferred Investment Option Shares pursuant to Section 2(d)(i) by the Preferred Investment Option Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv. Compensation for Buy-In on Failure to Timely Deliver Preferred Investment Option Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer

Agent to transmit to the Holder the Preferred Investment Option Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Preferred Investment Option Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, Ordinary Shares to deliver in satisfaction of a sale by the Holder of the Preferred Investment Option Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the Ordinary Shares so purchased exceeds (y) the amount obtained by multiplying (1) the number of Preferred Investment Option Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Preferred Investment Option and equivalent number of Preferred Investment Option Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of Ordinary Shares that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Ordinary Shares having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Ordinary Shares with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Ordinary Shares upon exercise of the Preferred Investment Option as required pursuant to the terms hereof.

v.No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Preferred Investment Option. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi.Charges, Taxes and Expenses. Issuance of Preferred Investment Option Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Preferred Investment Option Shares, all of which taxes and expenses shall be paid by the Company, and such Preferred Investment

Option Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Preferred Investment Option Shares are to be issued in a name other than the name of the Holder, this Preferred Investment Option when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Preferred Investment Option Shares.

vii. Closing of Books. The Company will not close its register or records in any manner which prevents the timely exercise of this Preferred Investment Option, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Preferred Investment Option, and a Holder shall not have the right to exercise any portion of this Preferred Investment Option, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Ordinary Shares beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Ordinary Shares issuable upon exercise of this Preferred Investment Option with respect to which such determination is being made, but shall exclude the number of Ordinary Shares which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Preferred Investment Option beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Ordinary Share Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Preferred Investment Option is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Preferred Investment Option is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Preferred Investment Option is exercisable (in relation to other securities owned by the Holder

together with any Affiliates and Attribution Parties) and of which portion of this Preferred Investment Option is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of Ordinary Shares outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of Ordinary Shares then outstanding. In any case, the number of outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Preferred Investment Option, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Ordinary Shares was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares issuable upon exercise of this Preferred Investment Option. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares upon exercise of this Preferred Investment Option held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Preferred Investment Option.

Section 3. Certain Adjustments.

a)Share Dividends and Splits. If the Company, at any time while this Preferred Investment Option is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on its Ordinary Shares or any other equity or equity equivalent securities payable in Ordinary Shares (which, for avoidance of doubt, shall not include any Ordinary Shares issued by the Company upon exercise of this Preferred Investment Option), (ii) subdivides outstanding Ordinary Shares into a larger number of shares, (iii) combines (including by way of share consolidation) outstanding Ordinary Shares into a smaller number of shares, or (iv) issues by reclassification of Ordinary Shares, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of Ordinary Shares (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Ordinary Shares outstanding immediately after such event, and the number of shares issuable upon exercise

of this Preferred Investment Option shall be proportionately adjusted such that the aggregate Exercise Price of this Preferred Investment Option shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b)Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time the Company grants, issues or sells any Ordinary Share Equivalents or rights to purchase shares, warrants, securities or other property pro rata to the record holders of any class of Ordinary Shares (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of Ordinary Shares acquirable upon complete exercise of this Preferred Investment Option (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Ordinary Shares are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, that to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such Ordinary Shares as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c)Pro Rata Distributions. During such time as this Preferred Investment Option is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of Ordinary Shares, by way of return of capital or otherwise (including, without limitation, any distribution of cash, shares or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Preferred Investment Option, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of Ordinary Shares acquirable upon complete exercise of this Preferred Investment Option (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of Ordinary Shares are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any Ordinary Shares as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d)Fundamental Transaction. If, at any time while this Preferred Investment Option is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company (or any Subsidiary), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Ordinary Shares are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Ordinary Shares or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Ordinary Shares or any compulsory share exchange pursuant to which the Ordinary Shares are effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a share or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding Ordinary Shares or 50% or more of the voting power of the common equity of the Company (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Preferred Investment Option, the Holder shall have the right to receive, for each Preferred Investment Option Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Preferred Investment Option), the number of common or ordinary shares of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of Ordinary Shares for which this Preferred Investment Option is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Preferred Investment Option). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Ordinary Share in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Ordinary Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Preferred Investment Option following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable contemplated Fundamental Transaction), purchase this Preferred Investment Option from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining

unexercised portion of this Preferred Investment Option on the date of the consummation of such Fundamental Transaction; provided, however, that if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, Holder shall only be entitled to receive from the Company or any Successor Entity the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Preferred Investment Option, that is being offered and paid to the holders of Ordinary Shares of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, shares or any combination thereof, or whether the holders of Ordinary Shares are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that if holders of Ordinary Shares of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Ordinary Shares will be deemed to have received common shares of the Successor Entity (which Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Preferred Investment Option based on the Black Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the public announcement of the applicable contemplated Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the greater of (i) the sum of the price per share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (ii) the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the Holder's request pursuant to this Section 3(d) and (D) a remaining option time equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date and (E) a zero cost of borrow. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds (or such other consideration) within the later of (i) five Business Days of the Holder's election and (ii) the date of consummation of the Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Preferred Investment Option and the Letter Agreement in accordance with the provisions of this Section 3(d) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Preferred Investment Option a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Preferred Investment Option which is exercisable for a corresponding number of shares of such Successor Entity (or its parent entity) equivalent to the Ordinary

Shares acquirable and receivable upon exercise of this Preferred Investment Option (without regard to any limitations on the exercise of this Preferred Investment Option) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such share capital (but taking into account the relative value of the Ordinary Shares pursuant to such Fundamental Transaction and the value of such share capital, such number of shares of share capital and such exercise price being for the purpose of protecting the economic value of this Preferred Investment Option immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall be added to the term "Company" under this Preferred Investment Option (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Preferred Investment Option and the Letter Agreement referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally with the Company, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under this Preferred Investment Option and the Letter Agreement with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein.

e)Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of Ordinary Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Ordinary Shares (excluding treasury shares, if any) issued and outstanding.

f)Notice to Holder.

i.Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Preferred Investment Option Shares and setting forth a brief statement of the facts requiring such adjustment.

ii.Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Ordinary Shares, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Ordinary Shares, (C) the Company shall authorize the granting to all holders of the Ordinary Shares rights or warrants to subscribe for or purchase any share capital of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Ordinary Shares, any consolidation or merger to which the Company (or any of its Subsidiaries) is a party, any sale or transfer of all or substantially all of its assets, or any compulsory share exchange whereby the Ordinary Shares are converted into

other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Preferred Investment Option Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Ordinary Shares of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Ordinary Shares of record shall be entitled to exchange their Ordinary Shares for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Preferred Investment Option constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Report on Form 6-K. The Holder shall remain entitled to exercise this Preferred Investment Option during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Preferred Investment Option.

a)Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof, this Preferred Investment Option and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Preferred Investment Option at the principal office of the Company or its designated agent, together with a written assignment of this Preferred Investment Option substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Preferred Investment Option or Preferred Investment Options in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Preferred Investment Option evidencing the portion of this Preferred Investment Option not so assigned, and this Preferred Investment Option shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Preferred Investment Option to the Company unless the Holder has assigned this Preferred Investment Option in full, in which case, the Holder shall surrender this Preferred Investment Option to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company

assigning this Preferred Investment Option in full. The Preferred Investment Option, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Preferred Investment Option Shares without having a new Preferred Investment Option issued.

b)New Preferred Investment Options. This Preferred Investment Option may be divided or combined with other Preferred Investment Options upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Preferred Investment Options are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Preferred Investment Option or Preferred Investment Options in exchange for the Preferred Investment Option or Preferred Investment Options to be divided or combined in accordance with such notice. All Preferred Investment Options issued on transfers or exchanges shall be dated the Issue Date of this Preferred Investment Option and shall be identical with this Preferred Investment Option except as to the number of Preferred Investment Option Shares issuable pursuant thereto.

c)Preferred Investment Option Register. The Company shall register this Preferred Investment Option, upon records to be maintained by the Company for that purpose (the "Preferred Investment Option Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Preferred Investment Option as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d)Transfer Restrictions. If at the time of the surrender of this Preferred Investment Option in connection with any transfer of this Preferred Investment Option, the transfer of this Preferred Investment Option shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Preferred Investment Option, as the case may be, provide to the Company an opinion of counsel, the form and substance of which opinion shall be reasonably satisfactory to the Company to the effect that the transfer of this Preferred Investment Option does not require registration under the Securities Act.

e)Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Preferred Investment Option and, upon any exercise hereof, will acquire the Preferred Investment Option Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Preferred Investment Option Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a)No Rights as Shareholder Until Exercise; No Settlement in Cash. This Preferred Investment Option does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive Preferred Investment Option Shares on a “cashless exercise” pursuant to Section 2(c) or to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Preferred Investment Option.

b)Loss, Theft, Destruction or Mutilation of Preferred Investment Option. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Preferred Investment Option or any share certificate relating to the Preferred Investment Option Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Preferred Investment Option, shall not include the posting of any bond), and upon surrender and cancellation of such Preferred Investment Option or share certificate, if mutilated, the Company will make and deliver a new Preferred Investment Option or share certificate of like tenor and dated as of such cancellation, in lieu of such Preferred Investment Option or share certificate.

c)Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d)Authorized Shares.

The Company covenants that, after the Authorized Share Increase Date and during the period the Preferred Investment Option is outstanding, it will reserve from its authorized and unissued Ordinary Shares a sufficient number of shares to provide for the issuance of the Preferred Investment Option Shares upon the exercise of any purchase rights under this Preferred Investment Option. The Company further covenants that its issuance of this Preferred Investment Option shall constitute full authority to its officers who are charged with the duty of issuing the necessary Preferred Investment Option Shares upon the exercise of the purchase rights under this Preferred Investment Option. The Company will take all such reasonable action as may be necessary to assure that such Preferred Investment Option Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Ordinary Shares may be listed. The Company covenants that all Preferred Investment Option Shares which may be issued upon the exercise of the purchase rights represented by this Preferred Investment Option will, upon exercise of the purchase rights represented by this Preferred Investment Option and payment for such Preferred Investment Option Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Preferred Investment Option, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Preferred Investment Option against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Preferred Investment Option Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Preferred Investment Option Shares upon the exercise of this Preferred Investment Option and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Preferred Investment Option.

Before taking any action which would result in an adjustment in the number of Preferred Investment Option Shares for which this Preferred Investment Option is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e)Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Preferred Investment Option shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Preferred Investment Option (whether brought against a party hereto or their respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Preferred Investment Option and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If either party shall commence an action, suit or proceeding to enforce any provisions of this

Preferred Investment Option, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for their reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f)Restrictions. The Holder acknowledges that the Preferred Investment Option Shares acquired upon the exercise of this Preferred Investment Option, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g)Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Preferred Investment Option, if the Company willfully and knowingly fails to comply with any provision of this Preferred Investment Option, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h)Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by e-mail, or sent by a nationally recognized overnight courier service, addressed to the Company, at 20 North Audley Street, London W1K 6LX, United Kingdom Attention: Chief Executive Officer, email address: jf@viraxbiolabs.com, or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by e-mail, or sent by a nationally recognized overnight courier service addressed to each Holder at the e-mail address or address of such Holder appearing on the books of the Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via e-mail at the e-mail address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via e-mail at the e-mail address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

i)Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Preferred Investment Option to purchase Preferred Investment Option Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Ordinary Shares or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j)Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Preferred Investment Option. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Preferred Investment Option and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k)Successors and Assigns. Subject to applicable securities laws, this Preferred Investment Option and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Preferred Investment Option are intended to be for the benefit of any Holder from time to time of this Preferred Investment Option and shall be enforceable by the Holder or holder of Preferred Investment Option Shares.

l)Amendment. Other than Section 2(e) and this Section 5(l), which may not be modified, amended or waived, this Preferred Investment Option may be modified or amended or the provisions hereof waived with the written consent of the Company, on the one hand, and the Holder of this Preferred Investment Option, on the other hand.

m)Severability. Wherever possible, each provision of this Preferred Investment Option shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Preferred Investment Option shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Preferred Investment Option.

n)Headings. The headings used in this Preferred Investment Option are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Preferred Investment Option.

“Bid Price” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Ordinary Shares are then listed or quoted on a Trading Market, the bid price of the Ordinary Shares for the time in question (or the nearest preceding date) on the Trading Market on which the Ordinary Shares are then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTCQB Venture Market (the “OTCQB”) or the OTCQX Best Market (the “OTCQX”) is not a Trading Market, the volume weighted average price of the Ordinary Shares for such date (or the nearest

preceding date) on OTCQB or OTCQX as applicable, (c) if the Ordinary Shares are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Ordinary Shares are then reported on The Pink Open Market operated by the OTC Markets (the "Pink Market") (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per Ordinary Share so reported, or (d) in all other cases, the fair market value of an Ordinary Share as determined by an independent appraiser selected in good faith by the Holder and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

"VWAP" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Ordinary Shares are then listed or quoted on a Trading Market, the daily volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on the Trading Market on which the Ordinary Shares are then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTCQB or the OTCQX is not a Trading Market, the volume weighted average price of the Ordinary Shares for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Ordinary Shares are not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Ordinary Shares are then reported on the Pink Market, the most recent bid price per Ordinary Share so reported, or (d) in all other cases, the fair market value of an Ordinary Share as determined by an independent appraiser selected in good faith by the Holders of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

If Preferred Investment Option Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Preferred Investment Option Shares shall take on the characteristics of the Preferred Investment Options being exercised, and the holding period of the Preferred Investment Option Shares being issued may be tacked on to the holding period of this Preferred Investment Option. The Company agrees not to take any position contrary to this Section 2(c).

d)Mechanics of Exercise.

i.Delivery of Preferred Investment Option Shares Upon Exercise. The Company shall cause the Preferred Investment Option Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Preferred Investment Option Shares to or resale of the Preferred Investment Option Shares by the Holder or (B) the Preferred Investment Option Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144 (assuming cashless exercise of the Preferred Investment Options), and otherwise by physical delivery of a certificate, registered in the Company's share register

in the name of the Holder or its designee, for the number of Preferred Investment Option Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period, in each case after the delivery to the Company of the Notice of Exercise (such date, the “Preferred Investment Option Share Delivery Date”). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Preferred Investment Option Shares with respect to which this Preferred Investment Option has been exercised, irrespective of the date of delivery of the Preferred Investment Option Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received by the Preferred Investment Option Share Delivery Date. If the Company fails for any reason to deliver to the Holder the Preferred Investment Option Shares subject to a Notice of Exercise by the Preferred Investment Option Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Preferred Investment Option Shares subject to such exercise (based on the VWAP of the Ordinary Shares on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the third Trading Day after the Preferred Investment Option Share Delivery Date) for each Trading Day after such Preferred Investment Option Share Delivery Date until such Preferred Investment Option Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Preferred Investment Option remains outstanding and exercisable. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Ordinary Shares as in effect on the date of delivery of the Notice of Exercise.

ii. Delivery of New Preferred Investment Options Upon Exercise. If this Preferred Investment Option shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Preferred Investment Option certificate, at the time of delivery of the Preferred Investment Option Shares, deliver to the Holder a new Preferred Investment Option evidencing the rights of the Holder to purchase the unpurchased Preferred Investment Option Shares called for by this Preferred Investment Option, which new Preferred Investment Option shall in all other respects be identical with this Preferred Investment Option.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Preferred Investment Option Shares pursuant to Section 2(d)(i) by the Preferred Investment Option Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv.Compensation for Buy-In on Failure to Timely Deliver Preferred Investment Option Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Preferred Investment Option Shares in accordance with the provisions of Section 2(d) (i) above pursuant to an exercise on or before the Preferred Investment Option Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, Ordinary Shares to deliver in satisfaction of a sale by the Holder of the Preferred Investment Option Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the Ordinary Shares so purchased exceeds (y) the amount obtained by multiplying (1) the number of Preferred Investment Option Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Preferred Investment Option and equivalent number of Preferred Investment Option Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of Ordinary Shares that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Ordinary Shares having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Ordinary Shares with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver Ordinary Shares upon exercise of the Preferred Investment Option as required pursuant to the terms hereof.

v.No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Preferred Investment Option. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi.Charges, Taxes and Expenses. Issuance of Preferred Investment Option Shares shall be made without charge to the Holder for

any issue or transfer tax or other incidental expense in respect of the issuance of such Preferred Investment Option Shares, all of which taxes and expenses shall be paid by the Company, and such Preferred Investment Option Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Preferred Investment Option Shares are to be issued in a name other than the name of the Holder, this Preferred Investment Option when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Preferred Investment Option Shares.

vii. Closing of Books. The Company will not close its register or records in any manner which prevents the timely exercise of this Preferred Investment Option, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Preferred Investment Option, and a Holder shall not have the right to exercise any portion of this Preferred Investment Option, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of Ordinary Shares beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of Ordinary Shares issuable upon exercise of this Preferred Investment Option with respect to which such determination is being made, but shall exclude the number of Ordinary Shares which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Preferred Investment Option beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Ordinary Share Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Preferred Investment Option is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Preferred Investment Option is

exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Preferred Investment Option is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Preferred Investment Option is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of Ordinary Shares outstanding. Upon the written or oral request of a Holder, the Company shall within one (1) Trading Day confirm orally and in writing to the Holder the number of Ordinary Shares then outstanding. In any case, the number of outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Preferred Investment Option, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding Ordinary Shares was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares issuable upon exercise of this Preferred Investment Option. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares upon exercise of this Preferred Investment Option held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Preferred Investment Option.

Section 3. Certain Adjustments.

a)Share Dividends and Splits. If the Company, at any time while this Preferred Investment Option is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on its Ordinary Shares or any other equity or equity equivalent securities payable in Ordinary Shares (which, for avoidance of doubt, shall not include any Ordinary Shares issued by the Company upon exercise of this Preferred Investment Option), (ii) subdivides outstanding Ordinary Shares into a larger number of shares, (iii) combines (including by way of share consolidation) outstanding Ordinary Shares into a smaller number of shares, or (iv) issues by reclassification of Ordinary Shares, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be

the number of Ordinary Shares (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of Ordinary Shares outstanding immediately after such event, and the number of shares issuable upon exercise of this Preferred Investment Option shall be proportionately adjusted such that the aggregate Exercise Price of this Preferred Investment Option shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b)Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time the Company grants, issues or sells any Ordinary Share Equivalents or rights to purchase shares, warrants, securities or other property pro rata to the record holders of any class of Ordinary Shares (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of Ordinary Shares acquirable upon complete exercise of this Preferred Investment Option (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Ordinary Shares are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, that to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such Ordinary Shares as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c)Pro Rata Distributions. During such time as this Preferred Investment Option is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of Ordinary Shares, by way of return of capital or otherwise (including, without limitation, any distribution of cash, shares or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Preferred Investment Option, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of Ordinary Shares acquirable upon complete exercise of this Preferred Investment Option (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of Ordinary Shares are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any Ordinary Shares as a

result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d)Fundamental Transaction. If, at any time while this Preferred Investment Option is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company (or any Subsidiary), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Ordinary Shares are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Ordinary Shares or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Ordinary Shares or any compulsory share exchange pursuant to which the Ordinary Shares are effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a share or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding Ordinary Shares or 50% or more of the voting power of the common equity of the Company (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Preferred Investment Option, the Holder shall have the right to receive, for each Preferred Investment Option Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Preferred Investment Option), the number of common or ordinary shares of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of Ordinary Shares for which this Preferred Investment Option is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Preferred Investment Option). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Ordinary Share in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Ordinary Shares are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Preferred Investment Option following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of

the public announcement of the applicable contemplated Fundamental Transaction), purchase this Preferred Investment Option from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining unexercised portion of this Preferred Investment Option on the date of the consummation of such Fundamental Transaction; provided, however, that if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, Holder shall only be entitled to receive from the Company or any Successor Entity the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Preferred Investment Option, that is being offered and paid to the holders of Ordinary Shares of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, shares or any combination thereof, or whether the holders of Ordinary Shares are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that if holders of Ordinary Shares of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Ordinary Shares will be deemed to have received common shares of the Successor Entity (which Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Preferred Investment Option based on the Black Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365 day annualization factor) as of the Trading Day immediately following the public announcement of the applicable contemplated Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the greater of (i) the sum of the price per share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (ii) the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the Holder's request pursuant to this Section 3(d) and (D) a remaining option time equal to the time between the date of the public announcement of the applicable contemplated Fundamental Transaction and the Termination Date and (E) a zero cost of borrow. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds (or such other consideration) within the later of (i) five Business Days of the Holder's election and (ii) the date of consummation of the Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Preferred Investment Option in accordance with the provisions of this Section 3(d) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Preferred Investment Option a security of the Successor Entity evidenced

by a written instrument substantially similar in form and substance to this Preferred Investment Option which is exercisable for a corresponding number of shares of such Successor Entity (or its parent entity) equivalent to the Ordinary Shares acquirable and receivable upon exercise of this Preferred Investment Option (without regard to any limitations on the exercise of this Preferred Investment Option) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such share capital (but taking into account the relative value of the Ordinary Shares pursuant to such Fundamental Transaction and the value of such share capital, such number of shares of share capital and such exercise price being for the purpose of protecting the economic value of this Preferred Investment Option immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall be added to the term "Company" under this Preferred Investment Option (so that from and after the occurrence or consummation of such Fundamental Transaction, each and every provision of this Preferred Investment Option referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Successor Entity or Successor Entities, jointly and severally with the Company, may exercise every right and power of the Company prior thereto and the Successor Entity or Successor Entities shall assume all of the obligations of the Company prior thereto under this Preferred Investment Option with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company herein.

e)Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of Ordinary Shares deemed to be issued and outstanding as of a given date shall be the sum of the number of Ordinary Shares (excluding treasury shares, if any) issued and outstanding.

f)Notice to Holder.

i.Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Preferred Investment Option Shares and setting forth a brief statement of the facts requiring such adjustment.

ii.Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Ordinary Shares, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Ordinary Shares, (C) the Company shall authorize the granting to all holders of the Ordinary Shares rights or warrants to subscribe for or purchase any share capital of any class or of any rights, (D) the approval of any shareholders of the Company shall be required in connection with any reclassification of the Ordinary Shares, any consolidation or merger to which the Company (or any of its Subsidiaries)

is a party, any sale or transfer of all or substantially all of its assets, or any compulsory share exchange whereby the Ordinary Shares are converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Preferred Investment Option Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Ordinary Shares of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Ordinary Shares of record shall be entitled to exchange their Ordinary Shares for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Preferred Investment Option constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Report on Form 6-K. The Holder shall remain entitled to exercise this Preferred Investment Option during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Preferred Investment Option.

a)Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof, this Preferred Investment Option and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Preferred Investment Option at the principal office of the Company or its designated agent, together with a written assignment of this Preferred Investment Option substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Preferred Investment Option or Preferred Investment Options in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Preferred Investment Option evidencing the portion of this Preferred Investment Option not so assigned, and this Preferred Investment Option shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Preferred Investment Option to the Company unless the Holder has assigned this Preferred Investment Option in full, in which case, the Holder

shall surrender this Preferred Investment Option to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Preferred Investment Option in full. The Preferred Investment Option, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Preferred Investment Option Shares without having a new Preferred Investment Option issued.

b)New Preferred Investment Options. This Preferred Investment Option may be divided or combined with other Preferred Investment Options upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Preferred Investment Options are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Preferred Investment Option or Preferred Investment Options in exchange for the Preferred Investment Option or Preferred Investment Options to be divided or combined in accordance with such notice. All Preferred Investment Options issued on transfers or exchanges shall be dated the Issue Date of this Preferred Investment Option and shall be identical with this Preferred Investment Option except as to the number of Preferred Investment Option Shares issuable pursuant thereto.

c)Preferred Investment Option Register. The Company shall register this Preferred Investment Option, upon records to be maintained by the Company for that purpose (the "Preferred Investment Option Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Preferred Investment Option as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d)Transfer Restrictions. If at the time of the surrender of this Preferred Investment Option in connection with any transfer of this Preferred Investment Option, the transfer of this Preferred Investment Option shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Preferred Investment Option, as the case may be, provide to the Company an opinion of counsel, the form and substance of which opinion shall be reasonably satisfactory to the Company to the effect that the transfer of this Preferred Investment Option does not require registration under the Securities Act.

e)Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Preferred Investment Option and, upon any exercise hereof, will acquire the Preferred Investment Option Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Preferred Investment Option Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a)No Rights as Shareholder Until Exercise; No Settlement in Cash. This Preferred Investment Option does not entitle the Holder to any voting rights, dividends or other rights as a shareholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive Preferred Investment Option Shares on a “cashless exercise” pursuant to Section 2(c) or to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, in no event shall the Company be required to net cash settle an exercise of this Preferred Investment Option.

b)Loss, Theft, Destruction or Mutilation of Preferred Investment Option. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Preferred Investment Option or any share certificate relating to the Preferred Investment Option Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Preferred Investment Option, shall not include the posting of any bond), and upon surrender and cancellation of such Preferred Investment Option or share certificate, if mutilated, the Company will make and deliver a new Preferred Investment Option or share certificate of like tenor and dated as of such cancellation, in lieu of such Preferred Investment Option or share certificate.

c)Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d)Authorized Shares.

The Company covenants that, after the Authorized Share Increase Date and during the period the Preferred Investment Option is outstanding, it will reserve from its authorized and unissued Ordinary Shares a sufficient number of shares to provide for the issuance of the Preferred Investment Option Shares upon the exercise of any purchase rights under this Preferred Investment Option. The Company further covenants that its issuance of this Preferred Investment Option shall constitute full authority to its officers who are charged with the duty of issuing the necessary Preferred Investment Option Shares upon the exercise of the purchase rights under this Preferred Investment Option. The Company will take all such reasonable action as may be necessary to assure that such Preferred Investment Option Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Ordinary Shares may be listed. The Company covenants that all Preferred Investment Option Shares which may be issued upon the exercise of the purchase rights represented by this Preferred Investment Option will, upon exercise of the purchase rights represented by this Preferred Investment Option and payment for such Preferred Investment Option Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes,

liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Preferred Investment Option, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Preferred Investment Option against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Preferred Investment Option Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Preferred Investment Option Shares upon the exercise of this Preferred Investment Option and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Preferred Investment Option.

Before taking any action which would result in an adjustment in the number of Preferred Investment Option Shares for which this Preferred Investment Option is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e)Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Preferred Investment Option shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Preferred Investment Option (whether brought against a party hereto or their respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Preferred Investment Option and agrees that such service shall constitute good and

sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If either party shall commence an action, suit or proceeding to enforce any provisions of this Preferred Investment Option, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for their reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f)Restrictions. The Holder acknowledges that the Preferred Investment Option Shares acquired upon the exercise of this Preferred Investment Option, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g)Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Preferred Investment Option, if the Company willfully and knowingly fails to comply with any provision of this Preferred Investment Option, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h)Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by e-mail, or sent by a nationally recognized overnight courier service, addressed to the Company, at 20 North Audley Street, London W1K 6LX, United Kingdom Attention: Chief Executive Officer, email address: jf@viraxbiolabs.com, or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by e-mail, or sent by a nationally recognized overnight courier service addressed to each Holder at the e-mail address or address of such Holder appearing on the books of the Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via e-mail at the e-mail address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via e-mail at the e-mail address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

i)Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Preferred Investment Option to purchase Preferred Investment Option Shares, and no enumeration herein of the rights or privileges

of the Holder, shall give rise to any liability of the Holder for the purchase price of any Ordinary Shares or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j)Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Preferred Investment Option. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Preferred Investment Option and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k)Successors and Assigns. Subject to applicable securities laws, this Preferred Investment Option and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Preferred Investment Option are intended to be for the benefit of any Holder from time to time of this Preferred Investment Option and shall be enforceable by the Holder or holder of Preferred Investment Option Shares.

l)Amendment. Other than Section 2(e) and this Section 5(l), which may not be modified, amended or waived, this Preferred Investment Option may be modified or amended or the provisions hereof waived with the written consent of the Company, on the one hand, and the Holder of this Preferred Investment Option, on the other hand.

m)Severability. Wherever possible, each provision of this Preferred Investment Option shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Preferred Investment Option shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Preferred Investment Option.

n)Headings. The headings used in this Preferred Investment Option are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Preferred Investment Option.

Holder of Preferred Investment Options Issued in December 2025 and October 2023

Re: Inducement Offer to Exercise Preferred Investment Option Issued in December 2025 and October 2023

Dear Holder:

VIRAX BIOLABS GROUP LIMITED (the “Company”) is pleased to offer to you (“Holder”, “you” or similar terminology) the opportunity to receive a new Preferred Investment Option to purchase shares of the Company’s ordinary shares, par value \$0.025 per share (the “Ordinary Shares”), in consideration for exercising for cash all of the (i) warrants to purchase an aggregate of 48,000 Ordinary Shares, issued to you on October 16, 2023, as amended on December 4, 2025, with an exercise price of \$10.00 per share and termination date of December 30, 2030, and (ii) preferred investment options to purchase an aggregate of 500,000 Ordinary Shares, issued to you on December 4, 2025, with an exercise price of \$10.00 per share and termination date of December 30, 2030 (collectively, the “Existing Warrants”), as more particularly set forth on the signature page hereto. The issuance and/or resale of the Ordinary Shares underlying the Existing Warrant (the “Warrant Shares”) has been registered pursuant to the registration statements on Form F-3 (File No. 333-275893 and 333-292241) (collectively the “Registration Statement”). The Registration Statement is currently effective and, upon exercise of the Existing Warrant pursuant to this letter agreement, will be effective for the issuance and resale of the Existing Warrant Shares. Capitalized terms not otherwise defined herein shall have the meanings set forth in the New Warrants (as defined herein).

The Company desires to reduce the Exercise Price (as defined in the respective Existing Warrant) of the Existing Warrants to \$6.00 per share (the “Reduced Exercise Price”). In consideration for exercising in full all of the Existing Warrants held by the Holder as set forth on the Holder’s signature page hereto (the “Warrant Exercise”) on or before the Execution Time (as defined below), the Company hereby offers to issue you or your designees:

(a) a new unregistered Series A Ordinary Share Preferred Investment Option (the “Series A Preferred Investment Option”) pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (“Securities Act”), to purchase up to 548,000 Ordinary Shares (the “Series A Warrant Shares”), which Series A Preferred Investment Option shall have an exercise price per share equal to \$6.00, subject to adjustment as provided in the Series A Preferred Investment Option, will be exercisable at any time on or after the approval by the shareholders of the Company of the increase in authorized Ordinary Shares of the Company (the “Authorized Share Increase” and such date the Authorized Share Increase is effectuated pursuant to the laws of the Cayman Islands, the “Authorized Share Increase Date”) and have a term of exercise of five (5) years from the later of the (i) Effective Date (as defined in Annex A hereto) and (ii) the Authorized Share Increase Date,

provided that, if such termination date is not a Trading Day, the date that is the immediately following Trading Day, which Series A Preferred Investment Option shall be substantially in the form as set forth in Exhibit A hereto;

(b) a new unregistered Series B Ordinary Share Preferred Investment Option (the “Series B Preferred Investment Option” and together with the Series A Preferred Investment Options, the “New Warrants”) pursuant to Section 4(a)(2) of the Securities Act, to purchase up to 1,096,000 Ordinary Shares (the “Series B Warrant Shares” and together with the Series A Warrant Shares, the “New Warrant Shares”), which Series B Preferred Investment Option shall have an exercise price per share equal to \$6.00, subject to adjustment as provided in the Series B Preferred Investment Option, will be exercisable at any time on or after Authorized Share Increase Date and have a term of exercise of eighteen (18) months from the later of the (i) Effective Date and (ii) the Authorized Share Increase Date, provided that, if such termination date is not a Trading Day, the date that is the immediately following Trading Day, which Series B Preferred Investment Option shall be substantially in the form as set forth in Exhibit B hereto; and

(c) the New Warrant certificates will be delivered at Closing (as defined below), and such New Warrants, together with any underlying Ordinary Shares issued upon exercise of the New Warrant, will, unless and until registered, contain customary restrictive legends and other language typical for an unregistered warrant and unregistered shares. Notwithstanding anything herein to the contrary, in the event that any Warrant Exercise would otherwise cause the Holder to exceed the beneficial ownership limitations (“Beneficial Ownership Limitation”) set forth in Section 2(e) of the Existing Warrant (or, if applicable and at the Holder’s election, 9.99%), the Company shall only issue such number of Warrant Shares to the Holder that would not cause the Holder to exceed the maximum number of Warrant Shares permitted thereunder, as directed by the Holder, with the balance to be held in abeyance until notice from the Holder that the balance (or portion thereof) may be issued in compliance with such limitations, which abeyance shall be evidenced through the Existing Warrant which shall be deemed prepaid thereafter (including the payment in full of the exercise price), and exercised pursuant to a Notice of Exercise in the Existing Warrant (provided no additional exercise price shall be due and payable). The parties hereby agree that the Beneficial Ownership Limitation for purposes of the Existing Warrant is as set forth on the Holder’s signature page hereto.

Expressly subject to the paragraph immediately following this paragraph below, Holder may accept this offer by signing this letter agreement below, with such acceptance constituting Holder’s exercise in full of the Existing Warrant for an aggregate exercise price set forth on the Holder’s signature page hereto (the “Warrant Exercise Price”) on or before 1:30 p.m., Eastern Time, on July 9, 2026 (the “Execution Time”).

Additionally, the Company agrees to the representations, warranties and covenants set forth on Annex A attached hereto. Holder represents and warrants that, as of the date hereof it is, and on each date on which it exercises any New Warrants it will be, an “accredited investor” as defined in Rule 501 of Regulation D promulgated under the Securities Act, and agrees that the New Warrants will contain restrictive legends when issued, and neither the New Warrants nor the Ordinary Shares issuable upon exercise of the New Warrants will be registered under the Securities Act, except as provided in Annex A attached hereto. Also, Holder represents and warrants that it

is acquiring the New Warrants as principal for its own account and has no direct or indirect arrangement or understandings with any other persons to distribute or regarding the distribution of the New Warrants or the New Warrant Shares (this representation is not limiting Holder's right to sell the New Warrant Shares pursuant to an effective registration statement under the Securities Act or otherwise in compliance with applicable federal and state securities laws).

The Holder understands that the New Warrants and the New Warrant Shares are not, and may never be, registered under the Securities Act, or the securities laws of any state and, accordingly, each certificate, if any, representing such securities shall bear a legend substantially similar to the following:

“THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS.”

Certificates evidencing the New Warrant Shares shall not contain any legend (including the legend set forth above), (i) while a registration statement covering the resale of such New Warrant Shares is effective under the Securities Act, (ii) following any sale of such New Warrant Shares pursuant to Rule 144 under the Securities Act, (iii) if such New Warrant Shares are eligible for sale under Rule 144 (assuming cashless exercise of the New Warrants), without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such New Warrant Shares and without volume or manner-of-sale restrictions, (iv) if such New Warrant Shares may be sold under Rule 144 (assuming cashless exercise of the New Warrants) and the Company is then in compliance with the current public information required under Rule 144 as to such New Warrant Shares, or (v) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Securities and Exchange Commission (the “Commission”) and the earliest of clauses (i) through (v), the “Delegend Date”). The Company shall cause its counsel to issue a legal opinion to the Transfer Agent promptly after the Delegend Date if required by the Company and/or the Transfer Agent to effect the removal of the legend hereunder, or at the request of the Holder, which opinion shall be in form and substance reasonably acceptable to the Holder. From and after the Delegend Date, such New Warrant Shares shall be issued free of all legends. The Company agrees that following the Delegend Date or at such time as such legend is no longer required under this Section, it will, no later than one (1) Trading Day following the delivery by the Holder to the Company or the Transfer Agent of a certificate representing the New Warrant Shares issued with a restrictive legend, along with such certificate(s) or other documentation reasonably requested by the Company's counsel and/or the Transfer Agent (within one (1) Trading Day following the delivery by the Holder to the Company or the Transfer Agent of a certificate representing the New Warrant Shares, which request shall include the form of representation letter requested by this sentence), including a customary representation letter, in

form and substance reasonably acceptable to the Company's counsel and/or the Transfer Agent (such first (1st) Trading Day, the "Legend Removal Date"), deliver or cause to be delivered to the Holder a certificate representing such shares that is free from all restrictive and other legends or, at the request of the Holder shall credit the account of the Holder's prime broker with the Depository Trust Company System as directed by the Holder.

In addition to the Holder's other available remedies, the Company shall pay to a Holder, in cash, (i) as partial liquidated damages and not as a penalty, for each \$1,000 of New Warrant Shares (based on the VWAP of the Ordinary Shares on the date such New Warrant Shares are submitted to the Transfer Agent) delivered for removal of the restrictive legend, \$10 per Trading Day (increasing to \$20 per Trading Day five (5) Trading Days after such damages have begun to accrue) for each Trading Day after the Legend Removal Date until such certificate is delivered without a legend and (ii) if the Company fails to (a) issue and deliver (or cause to be delivered) to the Holder by the Legend Removal Date a certificate representing the New Warrant Shares that is free from all restrictive and other legends and (b) if after the Legend Removal Date the Holder purchases (in an open market transaction or otherwise) Ordinary Shares to deliver in satisfaction of a sale by the Holder of all or any portion of the number of Ordinary Shares, or a sale of a number of Ordinary Shares equal to all or any portion of the number of Ordinary Shares that the Holder anticipated receiving from the Company without any restrictive legend, then, an amount equal to the excess of the Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the Ordinary Shares so purchased (including brokerage commissions and other out-of-pocket expenses, if any) over the product of (A) such number of New Warrant Shares that the Company was required to deliver to the Holder by the Legend Removal Date and for which the Holder was required to purchase shares to timely satisfy delivery requirements, multiplied by (B) the weighted average price at which the Holder sold that number of Ordinary Shares.

If this offer is accepted and the transaction documents are executed by the Execution Time, then as promptly as possible following the Execution Time, but in any event no later than 08:00 a.m., Eastern Time, on the Trading Day following the date hereof, the Company shall file a Report on Form 6-K with the Commission disclosing all material terms of the transactions contemplated hereunder, including the filing with the Commission of this letter agreement as an exhibit thereto. From and after the filing of such Report on Form 6-K, the Company represents to you that it shall have publicly disclosed all material, non-public information delivered to you by the Company, or any of its respective officers, directors, employees or agents in connection with the transactions contemplated hereunder. In addition, effective upon the filing of such Report on Form 6-K, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates on the one hand, and you and your Affiliates on the other hand, shall terminate. The Company represents, warrants and covenants that, upon acceptance of this offer, the Warrant Shares shall be issued at Closing free of any legends or restrictions on resale by Holder.

No later than the first (1st) Trading Day following the date hereof, the closing ("Closing") shall occur at such location as the parties shall mutually agree. Unless otherwise directed by H.C. Wainwright & Co., LLC (the "Placement Agent"), settlement of the Warrant Shares shall occur via "Delivery Versus Payment" ("DVP") (i.e., on the Closing Date (as defined below), the

Company shall issue the Warrant Shares registered in the Holder's name and address provided to the Company in writing and released by the Transfer Agent directly to the account(s) at the Placement Agent identified by the Holder; upon receipt of such Warrant Shares, the Placement Agent shall promptly electronically deliver such Warrant Shares to the Holder, and payment therefor shall concurrently be made to the Company by the Placement Agent (or its clearing firm) by wire transfer to the Company). The date of the Closing of the Warrant Exercise shall be referred to as the "Closing Date".

This letter agreement shall be construed and enforced in accordance with the laws of the State of New York, without regards to conflicts of laws principles. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby.

Sincerely yours,

As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Exchange Act and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Company is not currently an issuer identified in Rule 144(i) under the Securities Act.
- b) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by this letter agreement and otherwise to carry out its obligations hereunder. The execution and delivery of this letter agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company, its board of directors or its shareholders in connection herewith. This letter agreement has been duly executed by the Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.
- c) No Conflicts. The execution, delivery and performance of this letter agreement by the Company and the consummation by the Company of the transactions contemplated hereby do not and will not: (i) conflict with or violate any provision of the Company's certificate or articles of incorporation, bylaws or other organizational or charter documents; or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any liens, claims, security interests, other encumbrances or defects upon any of the properties or assets of the Company in connection with, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any material agreement, credit facility, debt or other material instrument (evidencing Company debt or otherwise) or other material understanding to which such Company is a party or by which any property or asset of the Company is bound or affected; or (iii) conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or

governmental authority to which the Company is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company is bound or affected, except, in the case of each of clauses (ii) and (iii), such as could not have or reasonably be expected to result in a material adverse effect upon the business, prospects, properties, operations, condition (financial or otherwise) or results of operations of the Company, taken as a whole, or in its ability to perform its obligations under this letter agreement.

- d) **Registration Obligations.** The Company shall, as soon as reasonably practicable (and in any event within fifteen (15) calendar days of the date hereof), file a registration statement on Form F-3 (or other appropriate form, including on Form F-1, if the Company is not then F-3 eligible) providing for the resale of the New Warrant Shares by the holders of the New Warrant (the “Resale Registration Statement”). The Company shall use commercially reasonable efforts to cause the Resale Registration Statement to become effective within forty-five (45) calendar days following the date hereof (or, in the event of a “full review” by the Commission, ninety (90) calendar days following the date hereof) and to keep the Resale Registration Statement effective at all times until no holder of the New Warrant owns any New Warrant or New Warrant Shares. “Effective Date” means the earliest of the date that (a) the initial Resale Registration Statement has been declared effective by the Commission, (b) all of the New Warrant Shares have been sold pursuant to Rule 144 or may be sold pursuant to Rule 144 without the requirement for the Company to be in compliance with the current public information required under Rule 144 and without volume or manner-of-sale restrictions, (c) following the one year anniversary of the Closing Date provided that a holder of New Warrant Shares is not an Affiliate of the Company, or (d) all of the New Warrant Shares may be sold pursuant to an exemption from registration under Section 4(a)(1) of the Securities Act without volume or manner-of-sale restrictions and counsel to the Company has delivered to such holders a standing written unqualified opinion that resales may then be made by such holders of the New Warrant Shares pursuant to such exemption which opinion shall be in form and substance reasonably acceptable to such holders.

The Company further agrees, if the Company applies to have the Ordinary Shares traded on any other Trading Market, it will then include in such application all of the New Warrant Shares, and will take such other action as is necessary to cause all of the New Warrant Shares to be listed or quoted on such other Trading Market as promptly as possible. The Company will then take all action reasonably necessary to continue the listing and trading of its Ordinary Shares on a Trading Market and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Trading Market. The Company agrees to maintain the eligibility of the Ordinary Shares for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

h) Subsequent Equity Sales.

(i) From the date hereof until thirty (30) days after the Effective Date, neither the Company nor any Subsidiary shall (A) issue, enter into any agreement to issue or announce the issuance or proposed issuance of any Ordinary Shares or Ordinary Share Equivalents or (B) file any registration statement or any amendment or supplement to any existing registration statement (other than (x) the Resale Registration Statement referred to herein (y) the filing of any prospectus or prospectus supplement, or any amendment or supplement thereto in connection with the Company's at-the-market facility with the Placement Agent, or (z) a registration statement on Form S-8 in connection with any employee benefit plan). Notwithstanding the foregoing, this Section (h)(i) shall not apply in respect of an Exempt Issuance. "Exempt Issuance" means the issuance of (a) Ordinary Shares, options, restricted stock or restricted stock units to employees, consultants, contractors, advisors, officers or directors of the Company pursuant to any stock or option plan or arrangement duly adopted for such purpose, by a majority of the non-employee members of the Board of Directors or a majority of the members of a committee of non-employee directors established for such purpose for services rendered to the Company; provided, however, that any securities issued to consultants, contractors or advisors are issued as "restricted securities" (as defined in Rule 144) and carry no registration rights that require or permit the filing of any registration statement in connection therewith during the prohibition period in Section h(i) herein, (b) warrants to the Placement Agent in connection with the transactions pursuant to this letter agreement (the "Placement Agent Warrants") and any Ordinary Shares upon exercise of the Placement Agent Warrants and the Ordinary Shares issuable upon the exercise or exchange of or conversion of any securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into Ordinary Shares issued and outstanding on the date of this letter agreement, provided that such securities have not been amended since the date of this letter agreement to increase the number of such securities or to decrease the exercise price, exchange price or conversion price of such securities (other than in connection with stock splits or combinations) or to extend the term of such securities, and (c) securities issued pursuant to acquisitions or strategic transactions approved by a majority of the disinterested directors of the Company, provided that such securities are issued as "restricted securities" (as defined in Rule 144) and carry no

registration rights that require or permit the filing of any registration statement in connection therewith during the prohibition period in this Section (h)(i), and provided that any such issuance shall only be to a Person (or to the equityholders of a Person) which is, itself or through its subsidiaries, an operating company or an owner of an asset in a business synergistic with the business of the Company and shall provide to the Company additional benefits in addition to the investment of funds, but shall not include a transaction in which the Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in securities. "Person" means an individual or corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof) or other entity of any kind, for purposes of this Section (h)(i).

(ii) From the date hereof until one (1) year following the Effective Date, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company nor any Subsidiary of Ordinary Shares or Ordinary Share Equivalents (or a combination of units thereof) involving a Variable Rate Transaction. "Variable Rate Transaction" means a transaction in which the Company (i) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive, additional Ordinary Shares either (A) at a conversion price, exercise price or exchange rate or other price that is based upon, and/or varies with, the trading prices of or quotations for the Ordinary Shares at any time after the initial issuance of such debt or equity securities or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Ordinary Shares or (ii) enters into, or effects a transaction under, any agreement, including, but not limited to, an equity line of credit, whereby the Company may issue securities at a future determined price. Notwithstanding the foregoing, the Company may enter into and effect sales pursuant to an at-the-market facility with the Placement Agent following the period set forth in Section (h)(i). The Holder shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages.

- i) Form D; Blue Sky Filings. If required, the Company agrees to timely file a Form D with respect to the New Warrants and New Warrant Shares as required under Regulation D and to provide a copy thereof, promptly upon request of any Purchaser. The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the New Warrants and New Warrant Shares for, sale to the Holder at Closing under applicable securities or "Blue Sky" laws of the states of the United States, and shall provide evidence of such actions promptly upon request of any Holder.
