Submission of Matters to a Vote of Security Holders.

On August 14, 2026, Virax Biolabs Group Limited (the “Company”) convened the Extraordinary General Meeting of Shareholders (the “Initial Meeting”) commencing at 2:00 PM GMT at BioCity Glasgow, Bo’Ness Road, Newhouse, Lanarkshire, ML1 5UH. On July 27, 2026, the record date for the Annual Meeting, there were 1,344,988 ordinary shares of the Company entitled to be voted at the Annual Meeting, 6.33% of which were present at the Initial Meeting in person or by proxy.

The Company's Articles of Association state that no business shall be transacted at any meeting of shareholders unless a quorum is present; a quorum is one or more shareholders holding shares that represent not less than one-third of the outstanding shares carrying the right to vote at such meeting present in person or by proxy. As such, at the date and time scheduled for the Initial Meeting, there was not a quorum present, nor did a quorum become present within 15 minutes of the scheduled meeting time. In accordance with the Company's amended and restated memorandum and articles of associated then in effect (the "Articles of Association"), if a quorum is not present within fifteen minutes of the time appointed for the meeting, then the meeting shall stand adjourned to the same time and place seven days from then, or to such other time or place as is determined by the Directors. As a quorum was not so present, the Annual Meeting was adjourned to 2:00 PM GMT on August 21, 2026, at the same location.

On August 21, 2026, at 2:00 PM GMT the Company reconvened the Company’s Extraordinary Annual Meeting of Shareholders (the “Adjourned Meeting”) at BioCity Glasgow, Bo’Ness Road, Newhouse, Lanarkshire, ML1 5UH. At the start of the Adjourned Meeting, there were present in person or by proxy shareholders holding shares that represent 8.94% the outstanding shares carrying the right to vote at such meeting. The Company's Articles of Association provide that if a quorum is not present within fifteen minutes of the time appointed for such an adjourned meeting, then the shareholders present in person or by proxy shall constitute a quorum. At the end of such fifteen minutes, a quorum of one-third was not present, and thereafter the shareholders present in person or by proxy constituted a quorum for the Adjourned Meeting.

Two items of business were acted upon by the Company’s shareholders at the Adjourned Annual Meeting, of which Proposal 1 was approved by the shareholders.

1. Shareholders approved, by way of ordinary resolution, the authorized share capital of the Company be increased from US\$50,000 divided into 2,000,000 ordinary shares of US\$0.025 par value each to US\$12,500,000 divided into 500,000,000 ordinary shares of US\$0.025 par value each, by the creation of 498,000,000 ordinary shares of US\$0.025 par value each (the “Share Capital Increase”); The voting results were as follows:

For	Against	Abstain
61,471	54,414	4,342

2. **Proposal 2:** Proposal 2, set out below, which required approval by way of special resolution (being the affirmative vote of a majority of at least two-thirds of the votes cast by, or on behalf of, the shareholders entitled to vote at the Meeting either present in person or represented by proxy at the Meeting) was not approved by the shareholders. The adoption of the form of the fifth amended and restated memorandum and articles of association of the Company in the form attached as Exhibit 99.3 filed as part of the Form 6-K report filed on July 31, 2026 containing the Notice of Meeting and Proxy Statement in its entirety and in substitution for, and to the exclusion of, the existing memorandum and articles of association of the Company to reflect the revised authorized share capital, with effect from the effective date of the Share Consolidation was not approved by way of special resolution. The voting results were as follows:

For	Against	Abstain
